PUBLIC COMMENT:

Spoke about Roy resigning/retiring as Highway Superintendent. Tim is willing to act as deputy if he is needed to. The Board can appoint someone until next election in November or higher a third person to help Tim through the season. Chris and Travis both attended meeting to be able to hear more about the position. Tim explained the job to them.

Spoke about looking into State Retirement for the future. Right now the town pays \$1,500 yearly into an IRA. Bryce and Debbie will look into amounts that it would cost the town.

The health insurance that the town offers to full time employees was discussed.

Town covers a new pair of boots for each employee annually.

Chris and Travis were able to ask any questions that they had about the position.

The 911 service is still not working. The guy that put it in came and looked at it and was supposed to come back with a circuit breaker and they have not seen him since. They are currently not hooked to the 911 service.

Andy Sprague from Sprague Insurance spoke to the board about the 2017 Insurance Policy. He went over the coverage amounts and policy.

MOTION to approve the meeting minutes for the November 2016 public hearing as submitted by the Town Clerk was made by Joey Pudney and seconded by TJ Law.
