INFORMATION, CORRESPONDENCE, DISCUSSION:

Sales Tax Revenue

- Received something from Cortland County wondering if we want to keep things where they are at Blue Cross Blue Shield
- 15.9% increase to state premiums – which means about \$1,000 increase for us
- There are other insurance options that we may be able to look into but probably not worth changing for the one employee on it

Grievance Board

- Met June 2nd
- Need to get reassessment done
- Fran Butler has a couple names of some people that can do it
- 2-3 people, 40 hours a week for 2 months

Country Acres Animal Shelter

- Picked up one dog on Route 26

BUILDING AND INSPECTION: *by Michael Andersen*

- Burchesky Road – No activity. Decided on no power to the shed
- Checked on Foggy Bottom to see what progress has been done
- Allen Hill Road to check on pool – they were just lacking their alarm last year
- Checked on house doing work on Telephone Road – No one around, left business card
- Checked on Golden's property
- Stopped at Park's property on Union Valley – Putting up a deck, were told they needed a permit
- Drove Hubbard Hill to check on open permits

HIGHWAY REPORT: *by Roy Eltz*

- Working on pricing for oil & stone. \$37,000 for Preston Rd, Doran Hill Rd, and half of Suarez Rd.
- Discussion on price for paving for Whitney Road
 - Broome Bituminous sent quotes for paving
 - 1" Type 7 Top @\$54.09/ton x approx. 700 tons w/ everything included =\$54,023.00
 - 1 ¼" Type 6 Top @\$52.37/ton x approx. 870 tons w/ everything included =\$64,662.90
- Have about \$70 + thousand in CHIPS money still to use
- Doran Hill and Preston Road are in the cycle to be due again but they are not as bad as the ½ of Suarez Road
- Whitney Road needs the whole thing paved. There is nothing wrong with it right now but should be preserved so it all wears the same
- Roy to do more research on pricing and find out when it can be done. - make final decision at next meeting
