DISCUSSION:

- Discussion about eventually putting another building on Town Line Road so that everything can be all together. Would need to put money into building or money for building repairs on current ones. If a new barn, would have a mechanic area to work on equipment.
- 1-ton truck could become bigger with a plow and a wing.
- Would like to eventually get rid of single axle truck.
- 10 year plan on 10 wheelers – every 5 years get a new truck.
- Could eventually add on to new barn already there.
- Need to figure out parking situation at current Town Hall.
- Talk of eventually the cemetery could be turned over to the town
- Agreed upon this year, 2/3 of budget to equipment reserves and 1/3 to building reserves.

MOTION to adjourn the meeting at 7:08 p.m. was made by Riley Closson and seconded by Joey Pudney.
