Larry Hill told the board that the DEC came and checked on the bridge today and they are ok with the work that was done except for the planting of some trees that still needs to be done. Jeff or Larry will talk to Cincinnati about the trees and the guard rail that needs to go up. Cincy gets CHIPS money for both sides of the road.

NYMIR Safety Inspection last week and everything is fine. Sexual Harassment training needs to be completed by everyone that has not already had training at another job.
