**DISCUSSION:**

Reassessment is complete and everyone has received their notices in the mail. Jeff has gotten some phone calls. People need to call the number listed on the letter that came in the mail to schedule a meeting with Fitts Appraisal.

With the LED street lights now in place, it cut the NYSEG bill almost in half.

Talk about the long term plans still need to meet.

**PLANNING BOARD: Barb Allen**

Documents were being done incorrectly for subdivisions. They are now having to have a public hearing and it is costing the town money to put the notice in the paper. They are going to come up with a new fee schedule with board approval. They can do a simple subdivision without a public hearing. Going to rewrite ordinances since we do not have zoning. Thinking \$25 for application & minor subdivision and \$75 for a major subdivision with 4 or more parcels.

**MOTION** to approve the new fee schedule as \$25 for minor subdivision and \$75 for a major subdivision was made by Riley Closson and seconded by TJ Law.
