Pool Permit Application

- ❖ Storable pools that have been inspected and approved do not need to reapply for permit each time they are put up unless location is changed
- ❖ In ground pools and above ground pools above 24" in depth and under 48" in depth need barrier fence approved by Code Officer
- ❖ Soft side pools of 48" shall also have barrier fence if side of pool is able to be compressed below 48"
- ❖ If someone other than property owner is installing pool, we must have Workers Compensation and Liability Insurance of file before installation begins
- ❖ A required electrical inspection is enforced with ANY pool with pump or lighting. Most pools need to be electrically bonded
- ❖ NO water shall be placed into the pool until electrical inspection is done and barrier fence is in place
