**Public Comment:**

- Jodie from Lamont Engineers was present. Bids were accepted until the 29th, they had trouble getting numbers for the precast.
  - JP Dugon Construction LLC of Windsor \$896,607.00
  - Byler Excavation LLC of Harpursville \$940,480.00
  - R. DeVincentis Construction Inc. of Binghamton \$966,000.00
  - Economy Paving Co. Inc. of Cortland \$1,281,281.20
  - Jodie recommends JP Dugon, she knows people/other engineers that have worked with them. FEMA says to keep track of all spending. DEC permits sent in January, nothing received back yet. Have marked a bunch of trees to be cut but can't until DEC confirms no bats are in them. Would like to get the project done this year since we can't leave it all winter with no bridge.

- Discussion about newspapers now that the Cortland Standard is back.  
**Motion** to make the Cortland Standard official newspaper was made by TJ and seconded by Russell. All in favor, motion carried.

**RESOLUTION** awarding Town of Taylor - Potter Hill Rd. culvert replacement project contract 1 - General Construction to JP Dugon Construction LLC of Windsor in the amount of \$896,607.00 was made by Jeff and seconded by TJ. All in favor, resolution carried.

Building Report:

- Talking with someone about a new build on Suarez Rd.

- Met and did their harassment training together.

Highway Report:

- County looking for contract back for plowing county roads. Discussion had about how much we make/lose plowing their roads.
- Figuring out the detour routes for Potter Hill bridge.
- Logging being done on Mt. Roderick, going to keep an eye on the road.

- Two dogs were picked up and redeemed.

Clerks Report:
