Bridge in Union Valley (Potter Hill) is open. Need to fix "speed bump". Plowing snow. Took F550 to mechanic in McGraw for repairs. Fire Extinguisher inspectors don't come out. Try to call someone else to get extinguishers inspected. It was suggested to try L&M Fire Extinguishers from Cuyler. The appraiser came to appraise building for insurance. It was asked why the one plow truck did not have a front head light. The light was misplaced, and they have ordered another one and are still waiting for it to come in.

**Motion to adjourn** was made by TJ and seconded by Russell. All in favor
